School Uniform Policy

Introduction:

We consider the wearing of uniform to be very important. It not only provides our students with an identity, but it also demonstrates a commitment to the values of the school and ensures a feeling of pride within the school community they attend. Students and parents/carers appreciate our consistent approach.

There is an expectation that all members of the school will strive to look their best. For students this will mean wearing the school uniform correctly when travelling to, from and within the school and when on school trips and visits.

Aims and Objectives:

Our policy is based on the notion that a school uniform:

- promotes a sense of pride in the school
- engenders a feeling of community and belonging
- is practical and smart
- identifies the children with the school
- is not distracting in class (as fashion clothes might be)
- makes children feel equal to their peers in terms of appearance
- is regarded as suitable, and good value for money, by the majority of parents and carers
- supports safeguarding by ensuring children wear safe, appropriate clothing and footwear

Equality and Inclusivity:

Our school uniform policy is inclusive and does not discriminate on the basis of gender or sex identity. As such, the school does not stipulate which items of uniform need to be worn by boys or girls. If you would like any advice with regards to this, please contact the school's SENCO.

The school recognises its duties under the **Equality Act 2010** and will make reasonable adjustments to accommodate the needs of pupils relating to:

- disability
- religion or belief
- medical conditions and sensory needs

We are a specialist school with children who have social, emotional and mental health needs. We have taken into consideration all types of materials and clothing to ensure a variance in colours and fabrics to suit sensory needs.

Affordability and Access:

We are committed to keeping branded items to a minimum. The only items which must be purchased with a school logo are:

Fortuna:

- School jumper

Athena:

- PE polo top
- KS3 polo top
- Athena Sweatshirt
- Athena Hoodie
- KS4 Blazer
- KS4 school tie

All other items can be purchased from supermarkets or high street retailers at low cost.

Second-hand uniform is available through the school office. We encourage families to donate and reuse items wherever possible, in line with statutory guidance.

Information about how to access second-hand uniform is shared with parents/carers via newsletters, the school website, and directly from the school office.

Families experiencing financial hardship are encouraged to contact the school office for support.
